

## TOTO Energy Limited Quarter 3 2017 Complaint Figures July to September 2017

We have had 56,554 communications in the third quarter of 2017, in the form of telephone calls, emails, letters or in person at our offices from our customers. From these, 675 opened an official complaint.

At the end of the quarter we had 47,192 domestic energy customer accounts.

Quarter	Number of complaints received	Number of complaints received per 100,000 customers	Number of complaints resolved	Number of complaints resolved per 100,000 customers	% resolved at day+1	% resolved at eight weeks
Q3 2017 Jul - Dec	675	1,430	348	737	22	44

Of the 675 complaints, the five most common issues concerned:

- Billing
- Smart meter appointments
- Sales
- Customer Service
- Website

Here at Toto we always do our best to look after our customers, however, sometimes things can still go wrong. If you're unhappy with how we've dealt with something, please get in touch using the address below and we'll do our best to fix it.
